

How To Create A Free FamilySearch.Org Account for Member and Non-Members

On the opening page of www.familysearch.org, click on either of the links circled in red.

Complete the next screen dump. Note: non-members will leave the last box unchecked since they are not members of the Church.

When you click on continue, the following box needs to be completed and then click on "Create Account." Note: non-members need to remember their email address to avoid future problems when they forget which email address they registered with.

Note: members will use their church membership account number instead of their email address since they previously checked the box indicating church membership.
